

### ***Request For Proposal – Ballpark Video Playback System***

SMG Stockton is requesting bids to manage the installation, configuration, testing and certification of a Video Playback System at the Stockton Ballpark to integrate into an existing Barco S-14 Video Wall. The solution shall require the purchase of all required hardware and software. Software demonstration will be required as part of the proposal process.

#### ***Minimum Equipment Requirements***

Standard Definition Video Capture and Playback Software (Playback Pro, Crossfire, or equivalent)

Hardware required to operate software (PC or Mac with all required accessories)

If specialty controllers are available for ease of system use, they should be listed as optional accessories (i.e. DT Videolabs)

#### ***Minimum Specifications for Software/Hardware***

- Must have transitional effects between playback clips
- Must automatically adjust imported files to output resolution and aspect ratio
- Must have video and audio input/output capability with audio fading control
- Clip elapsed/remaining counters
- Must have DVI or composite video outputs
- Must have 1 stereo pair (balanced XLR) audio output
- Must be able to import audio/video from external sources and DVD
- Minimum storage space of 500 GB
- 3 Year warranty of parts and installation of parts

#### ***Training***

Proposal cost should include minimum of 1 hour onsite training session of up to five end users by a qualified technician knowledgeable in the operation of specified software and hardware.

*RFP Response*

Questions regarding RFP may be directed in writing to [jimjohnson@smgstockton.com](mailto:jimjohnson@smgstockton.com). Responses must include specified equipment with line item costing separate from labor related costing. RFP Response shall show total guaranteed project cost to provide all minimum services and equipment listed above. Final Proposals should be sent electronically to [jimjohnson@smgstockton.com](mailto:jimjohnson@smgstockton.com) or hard copies mailed or hand delivered to Stockton Arena to the attention of Jim Johnson 248 W. Fremont St. Stockton, CA 95203 by 4:00 PM Friday January 13<sup>th</sup>. If you choose not to bid on this RFP, please let us know in writing.
